

OneKPI

SIMPLIFY YOUR BUSINESS

onekpi.org

WHY

The information age is technically over. We have all the answers, yet the same challenges remain.

To evolve your business to the next level of performance you will need to change the way you measure success by making it **simple**.

Grow revenue, manage your cost base and save time by upgrading your **Enterprise Performance Management (EPM)** framework to world-class.

WHAT

OneKPI provides professional client services and a proven 3-step process to evolve your decision culture from management to leadership.

1. Think Different. Let go of Yesterday by cultivating confidence in the inevitability of your people's shared success.

2. Think BIG. Clarity of your highest purpose, strategically aligned with superior performance measures for undisputed industry leadership.

3. Think Simple. With an exponential balanced scorecard solution driving triple-crown-winning conditions for employees, customers and stakeholders on an equal footing.

HOW

We review your Board Performance Report to evaluate the existing EPM framework, rationalising the quantity and quality of KPIs and metrics multi-dimensionally, with hindsight, insight and foresight.

WHAT YOU GET: A compelling 6-page report with actionable recommendations, including a roadmap to start simplifying your business to capture big performance gains.

You get a 'leadership time machine' with a custom designed **OneKPI** that will empower your people at the point of impact.

WHO

Michael Kwaaitaal is a highly accomplished CFO in Enterprise Business Intelligence and Performance Management with 25+ years industry experience, working together with CFOs of the world's largest businesses.

Michael has developed an exceptional ability to intuitively simplify business, enabling you to make better decisions, faster.
